

Multidisciplinary Orthopedic Oncology Tumor Case Conference
Provided by Rutgers New Jersey Medical School, Department of Radiology

Interesting Cases on 4/2/2020

150 Bergen St., E-349, Newark NJ

4/2/2020

3:30pm to 4:30pm

Cornelia Wenokor, MD

Associate Professor, Rutgers New Jersey Medical School

Cases

Objectives

At the conclusion of this activity, participants should be better able to:

- Analyze the unique presentation of orthopedic oncology clinical cases and properly select optimal imaging modalities for complete workup
- Assess role of preoperative imaging as a guide to surgical biopsy, resection and observation planning
- Identify routine and novel surgical pathological diagnostic tools as they allow for differentiation of various neoplastic processes
- Incorporate current trends in orthopedic oncologic care, including novel chemotherapeutic, surgical and radiation regimens for treatment of these neoplasm

Target Audience

This activity is designed for radiologist, surgeons, internists, physician assistants, medical students and radiology/orthopedic residents.

Accreditation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
