Learning Objectives

At the conclusion of this activity, participants should be better able to:

1. Identify innovative clinical approaches that can be successfully incorporated in practice
2. Identify applicable best practices and information that can be used to enhance patient care and outcomes

Target Audience

This activity is designed for cardiologists, cardiovascular surgeons, internists, family practitioners, researchers, nurses, nurse practitioners, physician assistants, and other health care professionals who care for patients with cardiovascular disease.

Accreditation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity is awarded 1 ANCC contact hours.
