Joseph Weisberger, MD

PGY 5

Rutgers, NJMS Plastic Surgery

Learning Objectives

At the conclusion of activity, participants should be better able to:

- Correlate the clinical presentation with pathologic, laboratory, and radiologic information and the pathophysiology of disorders presented
- Apply a logical and systematic approach to patient evaluation and management
- Discuss the standard as well as the newest therapeutic options for the disorders presented
- Formulate a broad differential diagnosis based on patient information, radiographic, electrographic, and other test results
- Identify best practice and alternate clinical systems of care that can be applied to improve patient outcome

Target Audience

This activity is designed for plastic surgeon, general surgeons, plastic surgery residents, general surgery residents, medical students and other healthcare professionals.

Accreditation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 2 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
