

Clara Maass Medical Center General Oncology Tumor Board

Jointly Provided by Clara Maass Medical Center and Rutgers Health

Zoom Meeting

Thursday, January 16, 2025 7:30-8:30 am

Said Saleh, MD
Joseph Fusco, MD
Shane Betman, MD
Hemalatha Vasireddy, MD

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Identify alternative courses of treatment with presenting options to improve specific patient outcomes and quality of life
- Correlate and integrate the clinical oncologic diagnosis with the pathologic, radiologic, and surgical findings of the cases presented
- Analyze oncological provider's opinions to identify approaches to patient management and care
- Improve the care of the cancer patients through the exchange of information among participating physicians
- Discuss clinical trials specific eligibility criteria and treatment protocols

Target Audience

This activity is designed for healthcare professionals in the fields of critical care medicine, diagnostic radiology, obstetrics/ gynecology, pulmonary disease, interventional radiology, urology, plastic surgery, clinical pathology, medical oncology, radiation oncology, surgical oncology, thoracic and cardiac surgery, and anatomic pathology.
