**Wednesday, December 11, 2019 8am to 9am
CHINJ Room 3101, New Brunswick, New Jersey**

"Sickle cell anemia for the Emergency Medicine Physician"

Presented by

Ashwin Sridharan, MD

Assistant Professor

Department of Internal Medicine, Division of Hematology

Rutgers, Robert Wood Johnson Medical School

New Brunswick, New Jersey

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Analyze best concepts in effective leadership and communication strategies in academic & clinical care medicine
- Integrate current best practices in the management of pediatric emergencies
- Incorporate current evidence based guidelines in treating acutely ill patients
- Recognition and incorporation of palliative care services for patients presenting at the end of life

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Declarations:

Dr. Sridharan has no relevant financial relationships. Speakers are required to disclose discussion of off-label/investigational uses of commercial products/devices in their presentation. These disclosures will be made to the audience at the time of the activity.

Planning Committee Members: Christopher Bryczkowski, MD (Activity Director & Content Reviewer), Robert Eisenstein, MD, Renee Riggs DO, and Grant Wei, MD have no relevant financial relationships to disclose.

This activity is designed for emergency medicine physicians, residents, medical students, PA's, nurses and other medical personnel involved in the management of patients with emergency medicine disorders.
