

Multidisciplinary Orthopedic Oncology Tumor Case Conference
Provided by Rutgers New Jersey Medical School, Department of Radiology

Interesting Cases of the Week

Virtual via WebEx

9/25/2025

3:30PM to 4:30PM

Judah Goldschmiedt, MD
Assistant Professor, Rutgers New Jersey Medical School

David Suster, MD
Assistant Professor, Rutgers New Jersey Medical School

Daniella Ogilvie, MD
Orthopedic Resident, Rutgers New Jersey Medical School

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Identify key clinical presentation elements of clinical practice of orthopedic oncology
- Review the role of imaging, using all available modalities, in the diagnosis and characterization of orthopedic oncology conditions.
- Differentiate benign conditions, malignant conditions and their mimics
- Examine advanced histologic and pathologic characterization of orthopedic oncology diagnoses

Target Audience

This activity is designed for radiologists, surgeons, internists, physician associates, medical students, and radiology residents..

Accreditation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
