

Jersey City Medical Center Breast Tumor Board

Jointly Provided by Jersey City Medical Center and Rutgers Health

JCMC Conference Room and Go To Meeting
Thursday, 4/2/2026 - 12:00 – 1:00 pm

Allan L. Cruz, MD and Arunabh Sekhri, MD

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Perform a multidisciplinary team review of the pathologic, radiologic, surgical findings to determine the final clinical oncologic diagnosis of each case
- Determine the options that would most effectively benefit the specific patient in question, along with the reasoning for each choice, which encompasses the recognition and handling of the psychosocial elements of patient care.
- Appropriately identify and define staging (TNM) for each breast cancer type and identify appropriate radiological modalities used in the diagnoses
- Implement the optimal practices of evidence-based breast cancer treatment established by the American College of Surgeons, the American Cancer Society, the American College of Clinical Oncology, and other esteemed authorities in oncology.

Target Audience

This activity is designed for gastroenterology, medical oncology, OBGYN oncology, Otolaryngology/Head & Neck Surgery, pathology, pulmonary & critical care, radiation oncology, radiology, surgery, surgical oncology, thoracic and cardiac surgery, and urology to determine the right care for oncological patients.

Accreditation

In support of improving patient care, this activity have been planned and implemented by Rutgers Biomedical and Health Sciences and Jersey City Medical Center. Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
