

ANESTHESIOLOGY GRAND ROUNDS

Provided by Rutgers NJMS, Department of Anesthesiology

“Intra-operative Fluid Management”

8-21-19 / 7:00am-8:00am / MSB, ROOM B-610

Mina Gaballa, MD

CA-2 Resident

Department of Anesthesiology

Rutgers New Jersey Medical School

Newark, NJ

Objectives

At the conclusion of this activity, participants should be better able to:

- Identify the indications/contradictions for new modalities in the diagnosis and treatment of conditions presented at each session
- Describe new management and prevention strategies used for selected medical problems and types of patients
- Discuss new developments and/or techniques being used in current scientific research
- Use information to improve communication to patients and providers to enhance patient care
- Discuss a wide range of clinical and non-clinical issues that impact surgical practice
- Identify and discuss complex disorders and their underlying mechanisms of disease

Target Audience

This activity is designed for Anesthesiologists, Physician Assistants, CRNAs, and residents in anesthesiology.

Accreditation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
