

Cardiac Catheterization Conference

Provided by Rutgers New Jersey Medical School,
Department of Medicine, Division of Cardiology

Wednesday, April 14, 2021

Rutgers NJMS

185 South Orange Ave., MSB – B-617

7:15 am – 8:15 am

Aishwarya Bhardwaj, M.D.

Cardiology Fellow, Rutgers New Jersey Medical School, Newark, New Jersey

Learning Objectives

At the conclusion of the activity, participants should be better able to:

- Formulate a cardiac differential diagnosis based on patient history, physical examination, electrocardiography, and cardiac imaging studies.
- Analyze cardiovascular decision making processes and judgment to identify specific approaches to cardiac patient management and care.
- Describe the management options for specific presented cases in agreement with current guidelines and identify those that would best serve the individual patient being discussed.

Target Audience

This activity is designed for physicians (including cardiothoracic and vascular surgeons, cardiology attendings and fellows, surgical and internal medicine residents, and medical students) and other medical personnel (cardiovascular trained nursing and technology staff, and EMS) interested in cardiovascular disease.

Accreditation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
