

CARDIOLOGY CLINICAL CASE CONFERENCE

Provided by Rutgers New Jersey Medical School, Department of
Medicine

185 South Orange Ave, MSB B-617

Wednesday, January 19, 2022

8:15 am-9:15 am

Uzair Ashraf, MD

Cardiology Fellow, Rutgers New Jersey Medical School, Newark, New Jersey

Jaewook Shin, MD

Cardiology Fellow, Rutgers New Jersey Medical School, Newark, New Jersey

Objectives

At the conclusion of this activity, participants should be better able to:

- Formulate a cardiac differential diagnosis based on patient history, physical examination, electrocardiography, and cardiac imaging studies.
- Analyze cardiovascular decision making processes and judgment to identify specific approaches to cardiac patient management and care.
- Describe the management options for specific presented cases in agreement with current guidelines and identify those that would best serve the individual patient being discussed.

Target Audience

This activity is designed for physicians (including cardiothoracic and vascular surgeons, cardiology attendings and fellows, surgical and internal medicine residents, and medical students) and other medical personnel (cardiovascular-trained nursing and technology staff, and EMS) interested in cardiovascular disease

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Disclosure Declarations

Uzair Ashraf, MD and Jaewook Shin, MD have no relevant financial relationships with ineligible companies to disclose.

Speakers are required to disclose discussion of off-label/investigational uses of commercial products/devices in their presentation. These disclosures will be made to the audience at the time of the activity.

Planning Committee: Activity Director - Julius Gardin, MD, MBA, Content Reviewers - Alfonso Waller, MD, Emad Aziz, DO, Christine Gerula, MD, and Pallavi Solanki, MD have no relevant financial relationships with

ineligible companies to disclose. Marc Klapholz, MD, MBA has the following relevant financial relationships with ineligible companies: Consultant: Backbeat Medical, Endotronix/Syneos, Janssen Pharmaceuticals; Data Safety Monitoring Board, Clinical Endpoint Committee/Research: Endotronix; Clinical Endpoint Committee/Research: Backbeat Medical, Janssen Pharmaceuticals. All of the relevant financial relationships have been mitigated.
