RE: **8th Annual Stroke and Neurocritical Care Symposium**
Advanced Management of Neurological and Neurosurgical Emergencies and Critical Care
Exhibit Space

On behalf of Rutgers Biomedical and Health Sciences, Rutgers Robert Wood Johnson Medical School, Department of Neurology, and Robert Wood Johnson University Hospital, we invite you to be an exhibitor at a continuing medical education activity entitled **"8th Annual Stroke and Neurocritical Care Symposium: Advanced Management of Neurological and Neurosurgical Emergencies and Critical Care"** to be held Friday, September 18, 2026 at the Hyatt Regency in New Brunswick, NJ.

The purpose of the exhibitor space is to complement the activity with topic-relevant products and services, and to further the scientific, technical, and educational advancement of our participants. We anticipate approximately 200 participants. A copy of the program is enclosed.

We are offering two tiers of exhibitor activity and corresponding fees, established thusly:

\$4,000.00 for one table and two representatives in the exhibit hall; and

\$5,500.00 for two tables and four representatives in the exhibit hall.

Your fee entitles you to exhibit space as detailed above, handout materials, continental breakfast, refreshment breaks, lunch, and acknowledgement in the audience handout. Representatives from your organization may attend the educational activity for the direct purpose of the representative's own education; however, they may not engage in sales or marketing activities while in the space or place of the educational activity. Please note that due to the venue's space capacity, exhibit space will be accepted on a first come, first served basis.

If you would like to exhibit, please complete the enclosed *Exhibitor Registration Form* and *Exhibitor Agreement* and return it to me by email at keisha.ferguson@rutgers.edu. The tax identification number for Rutgers Biomedical and Health Sciences is 22-6001086.

We appreciate your support of this important educational event in our community and in assisting us to raise the standard of healthcare in New Jersey and surrounding communities. As we get closer to the meeting date, we will provide you with additional exhibit information. Should you require additional information, please contact me by email at keisha.ferguson@rutgers.edu.

Sincerely,

Keisha Ferguson
Program Support Coordinator
