RE: SAGE - Symposium for Advances in Gastroenterology and Endoscopy
Exhibit Space

On behalf of Rutgers Biomedical and Health Sciences (Rutgers Health) and RWJBarnabas Health, Digestive Health, we invite you to be an exhibitor at a continuing medical education activity entitled **“SAGE - Symposium for Advances in Gastroenterology and Endoscopy”** to be held Saturday, September 26, 2026 at the Jack and Sheryl Cancer Center located in New Brunswick, NJ.

The purpose of the exhibitor space is to complement the activity with topic-relevant products and services, and to further the scientific, technical, and educational advancement of our participants.

We are offering two tiers of exhibitor activity and corresponding fees, established thusly:
\$5,000 for one table and two representatives in the exhibit hall; and
\$7,500 for two tables and four representatives in the exhibit hall.

Your fee entitles you to exhibit space, handout materials, continental breakfast, refreshment breaks, lunch, and acknowledgement in the audience handout. Representatives from your organization may attend the educational activity for the direct purpose of the representative’s own education; however, they may not engage in sales or marketing activities while in the space or place of the educational activity. Please note that due to the venue’s space capacity, exhibit space will be accepted on a first come, first served basis.

If you would like to exhibit, please complete the enclosed *Exhibitor Registration Form* and *Exhibitor Agreement* and return it to me by email at henderkc@rutgers.edu. The tax identification number for Rutgers Biomedical and Health Sciences is 22-6001086.

We appreciate your support of this important educational event in our community and in assisting us to raise the standard of healthcare in New Jersey and surrounding communities. As we get closer to the meeting date, we will provide you with additional exhibit information. Should you require additional information, please contact me by email at henderkc@rutgers.edu.

Sincerely,

Keisha Ferguson
Program Support Coordinator
