The 31st Annual Department of Otolaryngology – Head and Neck Surgery Alumni Day Symposium CME Certified Live Activity

Updates in Management of Thyroid Disorders

Wednesday, June 30, 2021

Virtual Live Symposium

Overview

This activity will provide practicing clinicians with an update of the most recent advances in otolaryngology. Through lectures, case presentations, and question and answer periods, this symposium will provide an overview of the latest evidence, trends and innovations in the management of thyroid disorders.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Define criteria for workup of thyroid nodules and role of genetic testing in indeterminate nodules.
- Discuss the evaluation, clinical, and ultrasound criteria for fine-needle aspiration biopsy and interpretation of fine-needle aspiration biopsy results for the management of thyroid nodules.
- Summarize the current strategies for treating thyroid eye disease.
- Recognize malpractice litigation considerations and trends surrounding thyroid/parathyroid surgery.
- Evaluate the safety and efficacy of active surveillance for low-risk papillary thyroid carcinoma.
- Review the latest evidence on the use of radiofrequency ablation on reducing thyroid nodule volume and improving local symptoms.

Accreditation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 4 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Method of Participation

In order to meet the learning objectives and receive continuing education credits, participants are required to attend the virtual program and complete an online evaluation form at the conclusion of the program. A letter certifying attendance and credit verification will be emailed to participants upon completion of the online evaluation survey.
