**ACPE CE accredited activity provided by RBHS
Rutgers Ernest Mario School of Pharmacy**

This knowledge-based activity UAN# JA0000855-0000-22-030-L03-P is accredited for a total of 2.00 contact hours (0.20 CEU's) of continuing education.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity is designed for Pharmacists. This program is organized by Ernest Mario School of Pharmacy. All individuals who affect the content of continuing education activities are required to disclose to the audience any real or apparent conflict of interest related to the activity. The activity faculty are further required to disclose discussion of off-label/investigational uses in their presentations. These disclosures will be made to the audience at the time of the activity.

Requirements for completion – Participants must be in attendance for the entire program. All attendees MUST register online AND sign in and complete online pre-test/post-test and program evaluation in order to receive program credit. This activity is awarded 2.00 Contact Hours. No partial credit will be awarded.

Pharmacists: CPE credit will be processed after the program evaluation has closed to participants, which will be three to four weeks following the activity date. Kindly view your credits at MyCPEmonitor.net

For additional program information, questions, or concerns, or if you require special arrangements to attend this activity, please contact RBHS Ernest Mario School of Pharmacy Office of Continuing Education, Debra Diller at 848-445-6823 or ce@pharmacy.rutgers.edu.

RBHS reserves the right to modify the activity content, faculty and activities, and reserves the right to cancel this activity, if necessary.

Purpose:

This presentation will explain the different types of opioid related disorders such as opioid intoxication, opioid use disorder and opioid withdrawal. The treatments for the opioid related disorders will be discussed and demonstrations will be provided on how to administer naloxone. Stigma will be discussed. Finally, the legal requirements for use of methadone, buprenorphine, and naloxone will be discussed.

Learning Objectives:

At the conclusion of this activity, the pharmacist participant should be able to:

- Screen for opioid related disorders to best serve your patient population
- Determine the most appropriate treatment for opioid related disorders
- Modulate conduct with the healthcare team and patients based on avoiding stigma and stigmatizing language
- Formulate a treatment plan according to the legal requirements for proper use of naloxone, methadone and buprenorphine
