STAR WARS AND THE RISE OF PTSD

Virtually connect with your colleagues
for a ground breaking
3-Part Web-Based CE Series
via WebEx
starting on **Monday, May 4, 2020**
(May the Fourth Be with You Day)

- Monday, May 4, 2020 10 am - 12 pm
- Wednesday, May 6, 2020 10 am - 12 pm
- Thursday, May 7, 2020 10 am-12 pm

Target Audience: Physicians, Physician Assistants, Nurses, Professional Counselors, Psychologists, Social Workers and all FORCE-sensitive users are encouraged to attend.

Join your colleagues and supporters of the Resistance as we examine real life challenges for behavioral health providers by mixing pop culture and education with **Dr. Anthony Tobia.**

Attendees will be guided via WebEx through the psychiatrist's lens as we take a look at major events depicted and implied in some of our favorite Star Wars films.

We will recognize how these events shaped the characters we identify with and have grown to love. This continuing education activity will include lecture, short clips and discussion focusing on Post Traumatic Stress Disorder, its symptoms and evolvment over time.

Registration Fee: \$69

Includes content access for **all 3 days**, downloadable CE Certificate and priority access to future virtual training's.

Registered attendees will receive WebEx Access Links via CloudCME generated emails prior to the start of the program.
